

# LEDiving XENARC headlight for Ford Focus 3

Redesign made easy - and legal

## Up to 70 % more light

More light allows to see farther and therefore react faster thanks to pixel-free optic and state-of-the-art lightguide technology compared to minimum ECE R112 requirements

## Up to 180 m long light cone

Better visibility due to daylight effect with easy plug & play installation without modifying or damaging existing cables

## Up to 40 % whiter light

High contrast and brilliantly cool white LED light for most stylish look on the road when compared with standard headlights with halogen lamp

## Switch on the WOW with OSRAM LEDiving head lights

With its outstanding design, the LEDiving XENARC headlight for Ford Focus III combines modern LED daytime running light functionality with a powerful xenon lamp. With this headlight, OSRAM offers a solution for Ford Focus III models not equipped with xenon headlights. Upgrading to the ECE-approved LEDiving XENARC headlight complies with all legal requirements – no need to fit automatic leveling or a headlight-cleaning system. OSRAM offers a 2-year guarantee on the LEDiving Ford Focus headlights. For precise guarantee conditions please refer to [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee). Not for sale in USA.

Legal advice

The LEDriving headlights are fully ECE compliant for a replacement of OEM halogen headlights and therefore registration free. This does not include individual custom requirements of countries, in addition to the standardized ECE certification of the product. This product is not suitable for left-hand traffic. This product is only suitable for Ford Focus 3 cars with OEM halogen headlights. These products are not for sale in the US.

Application advice

For more detailed application information and graphics please see product datasheet.
