# LEDinspect UTILITY1000

## Inspectionlights

**Multi-Functional Lamp** 

High flexibility and diverse adjustment possibilities. Up to 180° ratcheting bases and up to 360° rotating body.

1000 lm

2 light functions: Up to 1000lm-high Up to 400lmlow For individually adjustable light settings

Magnetic Base & Rotatable Hook

Versatile mounting options

2-year-OSRAM guarantee\*

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

## Product family datasheet

### Light is versatile

Designed with versatility in mind, the UTILITY 1000 combines magnetic, 180° ratcheting base with a 360° rotating body. This means the inspectionlight can be used either freestanding or hands-free, positioned in any number of ways to ensure the work area is properly illuminated. With two light functions - high with up to 1000lm and low with up to 400lm - it produces a light output that can be matched to the task at hand. This inspection light is ideal as a light for manual work, car repairs and everyday use. OSRAM also provides a 2-year guarantee on this product\* Charging cable and mains charger included.
