Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers

Light is versatile

Designed for precision in tight spaces, this ultra-slim lamp emits up to 250 lumens of bright 6000K white light, making it ideal for navigating narrow areas within the engine bay or workshop.

A secondary torch mode provides a focused 125-lumen beam for detailed inspection work. The versatile 180° ratcheting design, integrated hanging hook, and strong magnetic base ensure optimal hands-free positioning in any workspace.

Built for professionals, the LEDinspect SLIM 250 combines compact form with robust functionality.

OSRAM also provides a 2-year guarantee*
